

THE BRIDGE SCHOOL

Dear Parents/Carers,

I hope this letter finds you safe and well. We have had a fantastic half term here at The Bridge, with children enjoying their topic of On the Land. They have fully engaged in lots of incredible experiences, including running and supervising their own supermarket, celebrating success in our Star of the Week assemblies and taking part in lunch time activity clubs.

I would like to thank all parents and carers who have supported our harvest workshops recently, it was great to get to meet so many of you. We are looking forward to next half term where there will be opportunities for visits to see the great work all our children are producing every day – being the best they can be!

May I take this opportunity to remind you of our website where you can see important information of events that take part at The Bridge, not to mention our weekly Makaton signing challenge for all our parents and carers to take part in. Please click the following link to view our school website.
