

18/07/2025

Dear Parent/Carer,

I trust this letter finds you safe and well. What an amazing year we have had at The Bridge School! The pupils have certainly pushed themselves to be 'the best they can be'. We have been delighted to offer educational visits to all our classes, including trips to Ash End Farm, Kingsbury Water Park and The Sea life Centre.

We continue to provide our pupils with as many opportunities to enhance their independence, communication and life skills. Weekly swimming lessons, trips to the shops and Sutton Park have really developed all these skills.

To find out what our pupils have been doing this half term, please visit our website <https://bridge.fet.ac> , where you will find our latest newsletter. Additionally, we have set all our children a summer challenge of completing activities from Bridge to the Future, it would be great if you could send photos of your child completing these via class dojo.

Pupils return to school on Tuesday 2<sup>nd</sup> September 2025. May I take this opportunity to wishing you all a fabulous summer break and we look forward to seeing you all next academic year.

Kind Regards,

Andrew Seager
