Head Teacher: Mr A Seager

23 June 2026

Dear Parents and Carers,

Following the announcement of a Red Heat Health Alert for our area, we have made the difficult decision to close The Bridge School on **Wednesday 24th and Thursday 25th June 2026**.

The safety and wellbeing of our pupils is always our highest priority. Many of our children are particularly vulnerable to the effects of extreme heat due to their individual needs, and despite implementing a range of measures to keep pupils safe and comfortable, the forecast conditions present a level of risk that we do not feel can be adequately managed on site.

This decision has not been taken lightly, and we appreciate the inconvenience it may cause families. However, we believe it is the most responsible course of action in light of the exceptional temperatures forecast.

Please check Class Dojo during the closure period, where class teachers will be sharing home learning opportunities and activities for pupils to access at home.

If your child is in receipt of Free School Meals, please look out for a Microsoft Forms link which will be sent separately. This will allow you to select catering options for the two days of closure.

At this time, we plan to reopen as normal on Friday 26th June and will contact families should this change.

Thank you for your understanding and support as we prioritise the safety of our school community.

Yours sincerely,  
Andrew Seager

Headteacher  
The Bridge School
